

A cartoon illustration on a yellow background with several orange coronavirus particles. On the left, a woman with brown hair, wearing a blue blazer over a pink shirt, is talking on a black mobile phone. A large white speech bubble with a black border points to her, containing the text 'Corona muss nicht einsam machen!'. On the right, an elderly man with white hair and glasses, wearing a blue sweater over a white collared shirt, looks towards the woman. Above his head is a white thought bubble with a black border containing a large black question mark. The overall scene suggests a conversation about social isolation during the COVID-19 pandemic.
